LOUNGER SOLIANA

The stackable sunbed Soliana appears light and elegant due to the material used and the shape. The frame is made of glass fibre-reinforced polypropylene with anodised aluminium; the reclining surface is made of technical polyester fabric. Soliana is available in anthracite, taupe and white. The lounger can be rolled and has an adjustable backrest.

- Very sturdy plastic frame reinforced with aluminum
- durable, hard-wearing polyester fabric
- Functional with castors and headrest adjustment

$508.00
