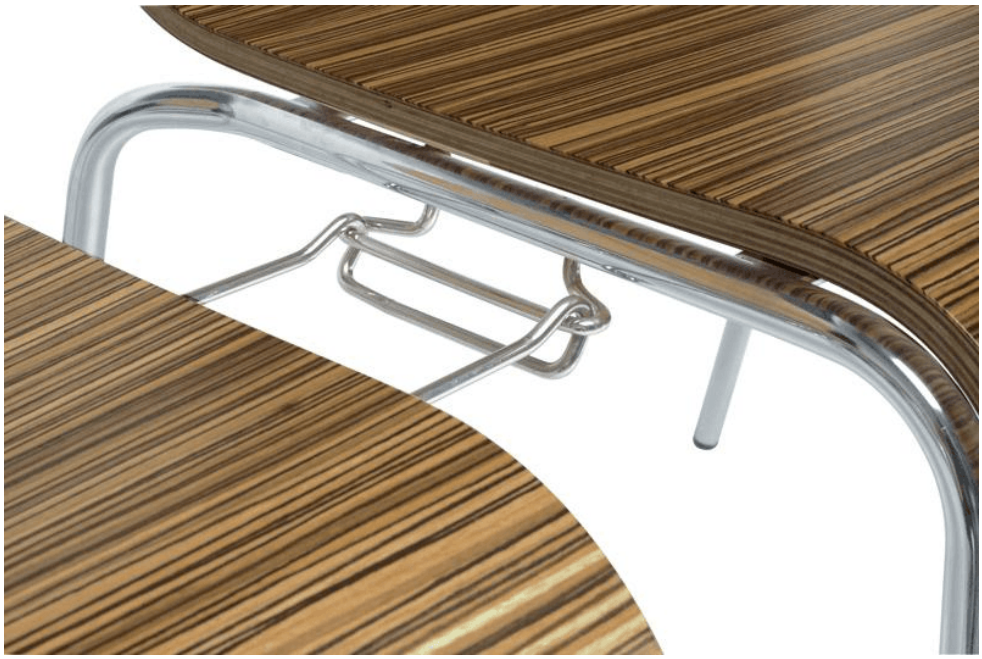
CHAIR PAULA



The professional seminar chair Paula is available in two frame versions: as a sled base or with four legs, each in black or chrome. It is also optionally available as a barstool with a four-legged frame. The flexible seat shell made of molded wood or laminate with a multiplex edge and HPL coating offers high seating comfort and outstanding durability. The chair is stackable, optionally linkable, and suitable for use in public spaces. Despite its delicate design, it supports up to 160 kg, making it ideal for contract use.

- Despite its delicate frame, it can bear loads of up to 160 kg.
- High level of comfort thanks to flexible, ergonomic seat shell
- Stackable and linkable on request
- Robust seating furniture for professional use - Suitable for commercial use -

$245.00
