BAR STOOL HADA

Timeless, classic and with a clear retro touch: the Hada upholstered shell chair fits into restaurants, bars or hotel lounges – optionally with or without armrests. The comfortable upholstered shell is available in the Cosy and Minea upholstery fabrics. Three wooden bases in Merano brown, oak or black with brass socks are available for the look, alternatively a black metal frame. Practical in everyday operation: the black swivel base with return function automatically returns to its original position when the user gets up, immediately creates a tidy appearance and saves handling steps during service. At the same time, the swivel function makes sitting down and getting up easier and reduces chair pushing – quieter and gentler on the floor.

- Timeless retro design: Hada has a classic, high-quality look and fits into restaurants, bars and hotel lounges
- Individual look: upholstery fabrics Cosy/Minea and bases in Merano brown, oak, black with brass socks or black metal offer many combinations
- Swivel base with return function: the chair automatically returns to its original position, looks tidy immediately and saves handling steps during service
