Glass fibre reinforced polypropylene /  
Polypropylène renforcé à la fibre de verre

TA – available as a Chair, Armchair and Bar stool – is the elegant answer to the demand for ergonomics and aesthetics. The design is inspired by the style of the 1950s and, in its purist execution, reflects today's zeitgeist. The seat shell made of glass fibre-reinforced polypropylene is optionally available in black, white, red or yellow. The frame is made of chrome-plated steel or black powder-coated steel. Additionally, the frame is available in oak wood, natural lacquered or oak wood, black stained and lacquered.
