

# INTERMEDIATE ELEMENT 120CM **HESTER**

The Hester bench system is highly versatile – consisting of a 60 element, 120 element and Corner element (70x70cm). The elements can be easily linked together. It is available as a free-standing version as well as a wall-mounted version with stretch fabric on the back. The frame is available in dining table and high table height and can be combined with legs and plinth panels in different colours. Hester is part of the fabric collection and is therefore available in numerous colour and fabric variations.

- Many different combinations possible
- huge fabric selection
- Special sizes available on request
