

CHAIR MARCO

The stackable Marco model delivers Parisian brasserie flair at first glance – with its characteristic shape and harmonious color scheme, it immediately reads as a true café statement in hospitality settings. Designed for professional use, it impresses with strong value for money and materials that perform reliably both outdoors and indoors: rattan-look aluminum meets hand-woven nylon mesh. The weave does not absorb moisture, dries quickly and remains pleasantly easy to maintain. UV-resistant, weatherproof components ensure that Marco continues to look good even in sun, rain and high-traffic environments. Whether as a chair with or without armrests, a 2-seater bench at dining table height, an armchair or a 2-seater element at lounge height – Marco adapts flexibly to your concept. And because all versions are stackable, handling stays just as relaxed as the look.

- Parisian flair: Brasserie look that attracts guests and keeps them seated longer
- Less effort: Weatherproof, UV-resistant and quick-drying – uncomplicated for outdoor use
- Fast reconfiguration: All variants stackable – saving time and storage space
