

## ARMCHAIR **NILLA**

The upholstered chair Nilla – also available as a bar stool – impresses with its minimalist design and clear lines. A distinctive detail is the characteristic cut-out in the backrest, which gives the model its unmistakable look. The upholstery is available in Cosy, Cosyshine, Minea and the easy-care Pavinto faux leather. Four bases – natural oak, Merano brown beech, black with brass sleeves and black powder-coated steel – offer a wide range of combination options. Nilla is also available with a swivel base, providing even greater comfort and flexibility for everyday use. In this way, Nilla combines timeless elegance with individual design options for the hospitality and hotel industry.

- Minimalist design with signature detail: The cut-out in the backrest makes Nilla instantly recognisable and timelessly elegant
- Flexible options: Available as a chair or bar stool and optionally with a swivel base for additional everyday comfort
- Swivel base with return function: The chair automatically returns to its original position, immediately looks neat and saves handling during service
