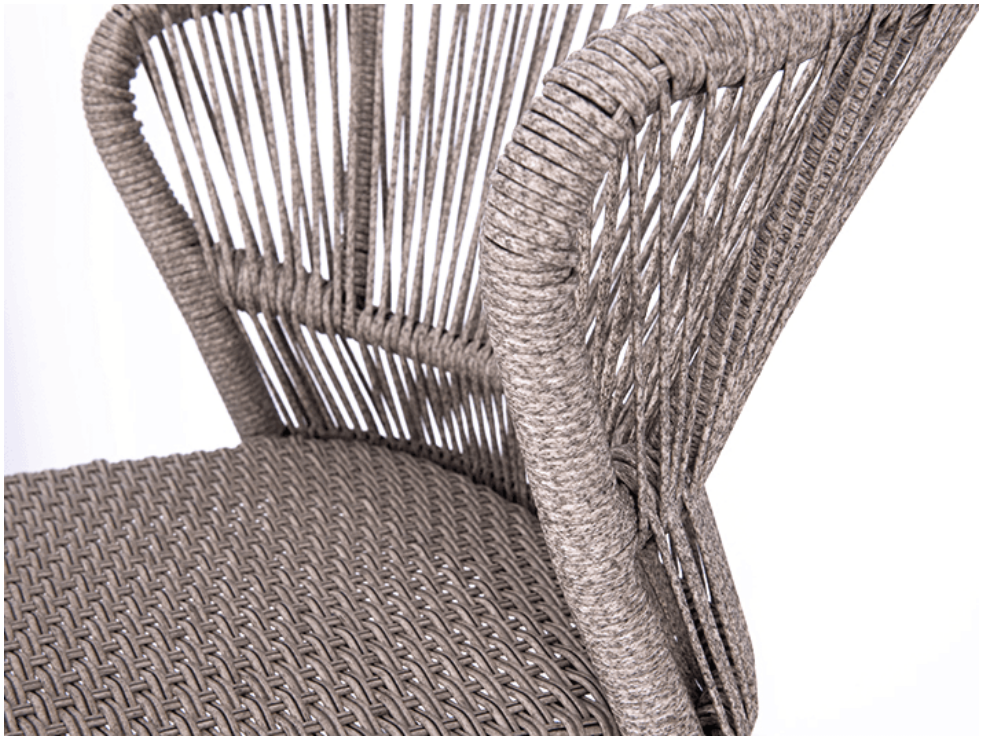
ARMCHAIR MARUBA



The Maruba series, consisting of: outdoor chair, armchair and barstool, impresses with a powder-coated aluminium frame that is robust, weather-resistant and easy to handle. The materials used are very easy to maintain and ideally suited for intensive contract and hospitality use. All versions are stackable and can be stored in a space-saving manner. The ergonomically shaped backrest ensures high sitting comfort – even over longer periods. Thanks to its classic-modern design, the series can be flexibly combined with many projects and offers a very attractive price-performance ratio.

- Robust and stackable
- High seating comfort
- Quick-drying, UV-resistant, and weatherproof
