GO IN

ARMCHAIR **HELLI**

Our Helli Armchair brings classic ice cream parlour flair to your hospitality venue – in robust GO IN quality. Rubber buffers between the metal parts significantly reduce rattling noises when moving and stacking. The optimised seat-back angle ensures excellent seating comfort, even when guests stay longer. Ribbed, anodised aluminium slats create a distinctive look and make the surface scratch-resistant, corrosion-resistant and easy to maintain. The chair is stackable and ideally complemented by the matching table.

- Noise-reduced design for quiet handling
- high seating comfort
- scratch-resistant and corrosion-resistant
