

CHAIR ULAS

Ulas is a timeless design classic among wooden chairs and brings understated elegance to restaurants, hotels, and brewery-style interiors. The split backrest gives the solid wood chair a distinctive touch without drawing too much attention to itself. Crafted from hard hevea wood with a walnut-colored lacquer finish, Ulas impresses with its high durability and particularly easy-care surface. Depending on the intended use, it is available with a classic wooden seat with a shaped recess or with a comfortable upholstered seat. A wide range of materials and colors is available for the upholstered version – tone on tone or deliberately contrasting with the warm wood finish. Tested for professional use, Ulas combines long-lasting quality with classic charm.

- Robust for everyday use: Hard hevea wood reliably withstands heavy wear and tear
- Easy to maintain: The clear lacquered surface can be cleaned quickly and easily
- Flexible planning: Wooden seat or upholstered seat adapt to the concept and desired level of comfort
