Our Easy Classic platter with real brass rim brings the charm of French bistros directly to you. The elegant plate combines stylish marble decors with a real brass edge that develops a unique patina over time - depending on the surroundings. Depending on the thickness of the patina, the brass edge can be easily polished with standard polishing absorbent cotton for metals. A must-have for brass lovers that becomes even more characterful with every use. Authentic, timeless and full of personality - Easy Gold sets golden accents in your ambience.
