The Venera model is available as a dining or bar table and brings the popular French bistro look to the catering and hotel industry. Depending on the version, the base stands on three or four feet. Made of heavy, black powder-coated cast steel, Venera impresses with its high stability, robustness, and easy-care surface. The base can be combined with different tabletops and used in versatile ways throughout the dining area.

- Available as a dining or bar table
- Easy-care and corrosion-protected thanks to the powder-coated surface
- Particularly robust and stable due to heavy cast steel
